

A photograph of a middle-aged man with short dark hair, smiling broadly while sitting in a hospital bed. He is wearing a light blue t-shirt with 'JUNES JACK' printed on it. In the background, there is a medical monitor displaying a graph, an IV drip stand with a clear bag, and other hospital equipment. The room has purple walls.

**If you've recovered  
from COVID-19  
the NHS needs your  
help to fight back**

**Your donated plasma can be used to treat  
patients with the virus.**
